WEEKLY TORAH PORTIONS

The first column of scriptures includes the Torah portion that is read all over the world, along with the optional companion scriptures that align with it. Reading the scriptures in bold each week, will take you through the entire bible each year, Genesis 1:1 through Revelation 22

After that, you will find a chart that includes special readings for the Mo'edim, the Appointed Times of God, also known as biblical "feasts." Song of Solomon is read on Passover and Jonah is read on Day of Atonements, Esther at Purim.

Some bibles use different numbering systems. The alternative scripture numbers will be noted in parenthesis. (Colors indicate Torah, Prophets, Writings and Apostolic portions.)
